Safety notes must be observed: [www.schuhmacher-seb.de/safety-notes](http://www.schuhmacher-seb.de/safety-notes)

#### Application

SEBflex® Dynamic Seal assembly adhesive is applied directly from the cartridge to the desired surface using a spatula or pressure gun. When applying to the contact surface, ensure that it is dry (at most damp) and free of dust and grease.

SEBflex® Dynamic Seal assembly adhesive is non-flammable and non-toxic!
