#### Technical Data

|                                |                      |
|--------------------------------|----------------------|
| Article number                 | 1014WDM200           |
| EAN                            | 4251633500702        |
| Material                       | Stainless steel 4404 |
| Material water barrier         | Polymer rubber       |
| Pressure-water-tight           | 5 bar                |
| Connection plate Ø / thickness | 80 / 2,5 mm          |
| Wall thickness                 | 200 mm               |
| Thread                         | M10                  |
| Connection axis                | M10 / 12             |
| Weight                         | 470 g                |
| Standard                       | DIN EN 62561-5       |
| Customs tariff number          | 85389099             |
| Packaging unit                 | 1 item               |
