

## Product Data Sheet

### Galvanized Grounding Strip Steel

Schuhmacher hot-dip galvanized flat grounding strip steel, according to DIN EN 62561-2, for use in grounding and lightning protection systems with the highest requirements. If the grounding strip is intended for use in the soil, stainless steel material V4A must be used according to DIN EN 62651-2 and DIN EN 62561-3.

| Technical Data        |                          |
|-----------------------|--------------------------|
| Article number        | 2E303550Z5               |
| EAN                   | 4251633503109            |
| Width                 | 30 mm                    |
| Thickness             | 3,5 mm                   |
| Material              | Steel/hot-dip galvanized |
| Standard              | DIN EN 62561-2           |
| Customs tariff number | 72123000                 |
| Packaging unit        | 50 kg                    |
